UNIVERSITET

Application for Research training

Fill out points 1 and 2 below and send/email to the coordinator for Research training. Ensure you comply with eligibility for the course in Research Training. NB! You are not allowed to commence the course until you have been admitted and registered.

1. To be filled out by the student

Name of student:

Address:

Telephone:

E-mail:

Swedish social security number:

I hereby apply for admission to the course

Bachelor programme

1BG224 10hp

1BG225 15hp

Master of engineering in Molecular Biotechnology

1MB773 10hp

1MB774 15hp

1MB775 20 hp

Master programmes

Applied Biotechnology

1BG363 10hp

1BG364 15hp

1BG365 20hp

Bioinformatics

1MB803 10hp

1MB804 15hp

1MB805 20hp

Biology

1BG363 10hp

1BG364 15hp

1BG365 20hp

Starting date for the course:

Today's date:

.....
Student signature

2. To be filled out together with the supervisor

Attach a short, preliminary plan for the Research training (max. ½ page) together with time plan for the training

The research training will be carried out at:

The student will get acquainted with the following methods and techniques:

The student will do a theory task within the following field:

I have read the course information and accept to act as responsible supervisor.
I will also in other respects act in order to make the course worthwhile for the student.

Telephone:
